

Lucian Toma

Chief Executive Officer

Lucian Toma is our Founder & CEO. As an experienced sustainability consultant, educator and permaculture designer, Lucian is on a mission to create a sustainable and regenerative future for all.

For the past decade, Lucian has designed, developed and implemented regenerative and ecological management programs with academic, government, business and nonprofit organizations.

He has a Master of Arts in Global Leadership and Sustainable Development from Hawai'i Pacific University and multiple Permaculture Design Certifications. In his free time, he advises the development of his 70 acre regenerative farm.
